## Remember

We want to hear from you! But if you need help, a public site like those on social media may not be the best way to get in touch with us. If you have seen something or felt something that concerns you, consider speaking to a Y Person that you trust face to face, over the phone or by email. This is the best way for us to let you know the right person to talk to. Use the QR code below to find the right contact for your YMCA.

If you direct or private message us about your concerns, the Y Person who sees your message will request your contact details and share your concerns so the right Y Person can help you.
